

DECISION TREE for COVID Symptoms or COVID Exposure

Are you experiencing COVID-19 symptoms? They include:

- ⇒ Fever or chills (over 100.4°F or 38° C)
- ⇒ New loss of smell or taste
- ⇒ Cough
- ⇒ Muscle aches
- ⇒ Sore throat
- ⇒ Shortness of breath or difficulty breathing
- ⇒ New or unusual headache
- ⇒ New onset of any gastrointestinal symptoms (nausea, vomiting, diarrhea or loss of appetite)

[CDC guide to COVID-19 symptoms](#)

Follow [CDC GUIDELINES](#)

1. Stay at home.
2. Separate yourself from others
3. Contact your primary care physician and StE Nurse, Kathy Schierhoff: 816-523-7100 or kschierhoff@stekcschool.org

All symptoms, exposures and positive results must be reported to the St. Elizabeth School Nurse.

When can I be around others?
You may return to StE ten days from onset of symptoms, or positive test result AND be fever free with decreased symptoms.

If symptoms emerge, contact StE Nurse, Kathy Schierhoff for further direction at kschierhoff@stekcschool.org
Return to the beginning of the flow chart to the "I have symptoms" pathway.
