

ST. ELIZABETH UNIFORM

Uniform Philosophy:

The purpose of the St. Elizabeth school uniform is to provide a visual reminder of unity. Our goal is to evoke a sense of school pride which promotes positive student behavior, academic performance and overall success.

The primary responsibility for a student's attire resides with the student and parents or guardians. So that teachers can focus on teaching without the additional burden of dress code enforcement, parents are expected to support students in the daily adherence to the St. Elizabeth uniform policy.

Uniform notifications will be sent home with students when a dress code issue needs to be addressed. Parents are expected to address the notification as soon as possible. These are the policies agreed to by enrollment at St. Elizabeth Catholic School.

All students must be in complete uniform from the first to the last day of school, unless otherwise noted. Uniforms will be checked daily by faculty and administration. Anything which causes distractions in the classroom (hair, makeup, nail polish, clothing, jewelry etc.) will be addressed on an individual basis by the teacher. If a student arrives at school not wearing the appropriate school uniform, parents will be notified to help correct the problem
