

A colorful graphic for STEConnect Learning at St. Elizabeth School. The background is light blue with white clouds. In the center, the word "STEConnect" is written in green, bold, sans-serif font. Below it, the word "Learning" is written in large, colorful, 3D block letters (blue, yellow, pink, purple, blue, green, yellow, pink). To the left of "Learning" is a stack of four books (purple, orange, blue, red) with a red apple on top. To the right is a laptop displaying a website layout. Above the laptop is a green circular logo with a white cross and the text "ST. ELIZABETH SCHOOL". Other elements include a document icon, a Wi-Fi symbol, and speech bubbles, all connected by dotted orange lines.

Learning

St. Elizabeth School

STEConnect

St. Elizabeth School has developed a strong program to deliver learning opportunities that connect our at-home students with their classroom teachers and classmates.

In the case of the shift for all students from in-person to at-home due to additional COVID-19 restrictions and/or the criteria for closing the school building is met, **STEConnect** will meet the needs of our school community of learners.

Saint Elizabeth Catholic School provides a Christ-centered, child-focused learning environment where Catholic ideals and a tradition of excellence are instilled.

STEConnect

Our school is taking all scenarios into account to ensure students, families, familial support systems, and teachers connect in an efficient and meaningful manner. Our main goal... To ensure every student at-home or in-person remains and truly feels connected to their community...

The STE Family.

STEConnect

STE has several scenarios to consider:

- *The option for at-home learning from the start of school
- *The option to pivot to at-home learning after the start of school; at any time
- *The option to return to in-person learning at the start of a new quarter
- *The potential shift to 100% **STEConnect** learning

STECconnect

St. Elizabeth faculty will employ a combination of synchronous and asynchronous learning which will be available to learners who are enrolled full-time and to students who are quarantined because of a No-Entry Condition. If required, the entire school would transition to **STECconnect** learning.

STEConnect

WHAT IS SYNCHRONOUS AT-HOME LEARNING?

- *Teacher-led instruction delivered to students via live stream (Google Meet), allowing students to learn core subject content and specialties in real time;
- *Students will be given opportunities to participate in in-class activities while they are occurring, and;
- *Online classrooms that will allow students to complete and submit assignments from home.

STEConnect

WHAT IS ASYNCHRONOUS AT-HOME LEARNING?

*Educational content planned and provided by teachers but not live streamed or occurring concurrently with classroom instruction, and;

*May include recorded content, students working virtually in small groups, meeting with teachers individually, or seeking one-on-one assistance from the teacher or the student's **STEAdvocate** via virtual office hours.

STECconnect

STEAAdvocate

Each **STECconnect** student will be assigned an **STEAAdvocate**. This St. Elizabeth Faculty or Staff member will be an active advocate for the student, family, and familial support.

The **STEAAdvocate** will:

- connect via email to begin introductions and schedule a Google Meet;
- connect to provide a support system to review and explain access to grade level resources;
- connect on a daily basis to answer questions, inquire about the day, assist with access to assignments and activities, discuss issues; and work together for successful resolution strategies;
- guide the student, family, and familial support system through the process of connecting with their classroom and teacher for the school day, and;
- use Google Meet to connect virtually.

STEConnect

WHAT WILL STEConnect LOOK LIKE?

*Google Meet is the primary synchronous delivery platform and it will be supplemented by the Learning Suite of our interactive boards and panels with Google Classroom (grades 3-8) or Seesaw (grades PS-2).

*Every student in Grades 2-8 will have an assigned Chromebook with Google Applications and other educational extensions. Kindergarten students will have an assigned iPad with applications installed to use for instruction and activities.

*Every STE student has a Google account for access to Google Drive and Google Applications. In grades 4-8, e-mail is active.

STEConnect

WHAT WILL STEConnect LOOK LIKE?

- *Every STE classroom is equipped with all the components needed for in-room video-conferencing which augments the “virtual” and in-person experience.
 - *Teacher laptop: delivery of prepared materials and resources
 - *Conferencing cart: flexibility and mobility
 - *Web camera: capturing instruction for the participant focused on the teacher
 - *Document camera: projecting images and objects with clarity
 - *Interactive whiteboard with projection system: engaging digital space for developing and sharing resources, learning, and activities
 - *Portable audio system with mic: audio enhancement for teacher clarity
 - *Google Meet: link the classroom and **STEConnect**

STEConnect

WHAT WILL **STEConnect** LOOK LIKE?

Google Classroom (Grades 3-8)

- *Google Application through school student account
- *Centralized location to access assignments, complete assessments, download activities, upload and submit school work, view teacher feedback, resubmit assignments, view missing and upcoming work, view any grade item
- *Parent access for viewing grades, missing work, and upcoming assignments
- *Grades also available in Sycamore

Seesaw (Grades PS-2)

- *Web or Application for centralized access through teacher code
- *Students show learning with built-in annotation tools to capture what they know in Seesaw's digital portfolio
- *Teachers gain insights and deeply understand student thinking and progress — enabling them to teach better
- *Families connect and gain a window into their student's learning and engage with school happenings

STEConnect

WHAT WILL STEConnect LOOK LIKE?

Every STE Faculty has created a grade level and individual webpage, including our specialties. This webpage continues to be a work in progress by the grade level team in an effort to streamline information for the student, parents, and familial support system.

You can expect to see the individuality and creativity of each team and teacher!

STECconnect

WHAT WILL STEConnect LOOK LIKE?

The **STECconnect** student:

- *will receive textbooks and workbooks, a Chromebook or iPad, and any other school resources normally distributed by the school on Tuesday, August 25 at 4:00PM in “car pool” at the Main Building (enter from 74th Terrace)
- *will receive their daily schedule from the classroom teacher
- *will receive weekly work supplies and resources as needed in a “car pool” at 4:00PM on Friday afternoons at the Main Building – drop off projects and assignments (enter from 74th Terrace)
- *will engage in a normal school day structure, including direct instruction, independent work time, interaction with classmates and the teachers, and breaks
- *will engage with Mass through Google Meet in a manner that instills a prayerful and reflective experience
- *will connect with their **STECAdvocate** on a daily basis

STECconnect

WHAT WILL STEConnect LOOK LIKE?

The **STECconnect** student and family:

- *should still plan to purchase school supplies as if the learner were in-person
- *should create an identified “workspace” in their home with desk or table, chair for learning, supplies, lamp, notebook, pencils, markers, highlighters, etc.
- *will ensure readiness to begin every school day “on-time” and in a school uniform shirt – attendance will be taken
- *will follow the student handbook and classroom expectations for behavior, technology use and other guidelines
- *will continue to use Sycamore as the portal for school communications
- *will stay connected to the grade level webpage
- *will be prepared to meet with their **STECAdvocate**
- *should enable a reliable WIFI capability

STEConnect

SAINT ELIZABETH SCHOOL IS COMMITTED AND INVESTED....

In all our students and families, as well as our faculty and staff. We hold ourselves to that expectation to create an excellent learning opportunity for all, while holding to our Catholic identity and that faith filled life. This is our mission.

STE is focused on learning standards, supporting a learning environment where new learning and success are achievable , and ensuring the best interest of the whole child, the whole family, and the whole St. Elizabeth Community.

Thank you for that trust.

Thank you for your support.

Saint Elizabeth Catholic School provides a Christ-centered, child-focused learning environment where Catholic ideals and a tradition of excellence are instilled.
