

**St. Elizabeth School Chromebook Initiative Liability Form
Grades 5-6 Pilot Program**

2021-2022

This form must be signed and returned prior to the
issuance of the school-owned Chromebook

The Chromebook is valued at \$300, including the Chrome license. The great news is that thanks to our CPTA, and efforts to augment the school's operating budget, St. Elizabeth School will fully fund this purchase **during the 2021-2022 pilot program for 5th-6th grade**. Each learner will be held responsible for care of the school-issued Chromebook in accordance with STE policies, guidelines, and expectations.

PLEASE NOTE: Each learner will be responsible for any damages incurred to their assigned device that fall outside the warranty. Those costs will vary depending on the specific damages. Should the school or the manufacturer determine that the learner intentionally damaged the Chromebook, exhibited negligence, or experienced loss, the parents will be responsible for the repair fees or full replacement cost.

The signatures below acknowledge the receipt, knowledge, and acceptance of the expectations and responsibility regarding the 1:1 Chromebook Initiative at St. Elizabeth School for the academic year 2021-2022.

This signed form must be returned to the school prior to the receipt of an assigned Chromebook.

Our family has read, reviewed, discussed, understands and is aware of the 2021-2022 policies, procedures, and guidelines for St. Elizabeth Catholic School*, as follows:

St. Elizabeth School Acceptable Use Policy*
Technology in the Chromebook Classroom (Appropriate and Inappropriate Use)*
Student and Family Pledge for Empowered Use*
